A woman with short brown hair, wearing a white and grey patterned sweater with red cuffs and a green and red beaded necklace, stands and gestures with her hands while speaking to the group. She is looking towards the right side of the frame.

An older woman with short white hair, wearing a black jacket and a pink and black patterned scarf, sits at the table looking towards the speaker. She has a thoughtful expression.

A woman with long dark hair and glasses, wearing a black jacket over a red top, sits at the table with her hand to her chin, listening intently to the speaker.

A woman with dark hair, wearing a light grey sweater and glasses, sits at the table in the foreground, holding a white mug and looking towards the speaker. She has a blue and white wristband on her left wrist.

A woman with long brown hair, wearing a red and black patterned sweater, sits at the table on the left side of the frame, looking towards the speaker.

An older man with white hair, wearing a blue and black striped sweater, sits at the table with his back to the camera, looking towards the speaker.

A bulletin board on the wall behind the group contains several notices and documents. One notice is green and white, and another is blue and white. There are also some blue circular signs on the wall.

A white notice pinned to the bulletin board, partially obscured by the speaker, contains some text that is difficult to read.

A white brochure or flyer with a grid of small images is held by the woman in the black jacket. It appears to be a collection of photos or a report.

A laptop computer is open on the table, displaying some content on its screen.

A white mug sits on the table in the foreground, next to a pair of glasses.

Another white mug is visible on the table behind the man in the striped sweater.

DO NOT BE AFRAID

It is said that do not be afraid appears 305 times in the Bible - one for every day. It's maybe a need to hear!

Fears come on many different levels and it is important and it would be good to recognise this.

THINGS TO THINK ABOUT:

- What are you afraid of in the days leading up to Christmas?
- What would be the fear?
